

Ocean Water (Sonic Copycat Recipe)

Recipe Courtesy of Amanda at Fake Ginger
Photos of recipe available at www.fakeginger.com/ocean-water

Ingredients:

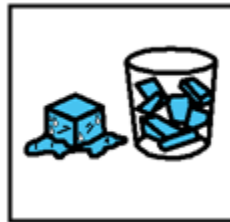

3 tablespoons water

2 12-ounce cans (or
24 ounces) lemon
lime soda

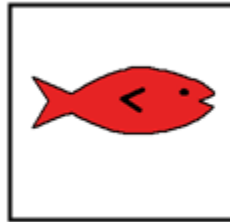

3 tablespoons sugar

Ice

1 teaspoon coconut
extract

Swedish fish (optional)

3 drops blue food
coloring

Supplies Needed:

Microwave-safe bowl

Pitcher

Large spoon

Cups and straws

Ocean Water

Instructions:

1. In the microwave-safe bowl, combine water and sugar.

2. Microwave for about 1 minute. Carefully remove.

3. Use the spoon to stir and dissolve the sugar.

4. Pour the sugar water into the pitcher. Add coconut extract,

food coloring, and soda. Stir to combine.

5. Add ice and Swedish fish (if desired). Pour in cups and enjoy!
