

Gottschall Access Program Reference Form

Reference for _____ Date _____

The above-named individual has applied for admission to the Gottschall Access Program (GAP) at Bristol Community College, a three-year, non-credit, certificate program for students with autism spectrum disorders who are interested in post-secondary training and education. The program focuses on the practical skills necessary to succeed in gainful employment.

Appropriate candidates include those individuals who are motivated to participate in courses which focus on developing self-determination skills, critical thinking and soft skills, but would have difficulty meeting the demands of an associate degree program, even with extensive support services. Applicants must demonstrate the emotional stability and maturity necessary to participate in the program located at the community college campus, and to perform with minimal supervision at an internship placement during their third year.

With the above information in mind, please answer the following questions. Your input will help us in advising this applicant regarding the appropriateness of the Gottschall Access Program for him/her.

Please rate the applicant on the following characteristics on a scale of one to five in relation to others who are his/her age.

- Key:** 5 = meets and sometimes exceeds expectations
 4 = competent – consistent
 3 = emerging – inconsistent
 2 = minimal – needs substantial support
 1 = low – poor
